SAN JOSE WITHDRAWS OFFER TO HELP BUILD SEWER LINE

San Jose Is Annexing Some Of Campbell's Back Yards

No action was taken by the city council Monday night as four proposed annexations by City of San Jose came up for review because all were on the east side of the San Jose-Los Gatos Road, but there were bitter repercussions to the action of the San Jose city council also on Monday evening, in proceeding over the Campbell protest with the Maywood No. 3 annex along Winchester Road to within a few feet of Hamilton Avenue and within some three blocks of the Campbell city hall. Councilman John Chargin had been delegated to attend the San Jose Council meeting and to report their action while the Campbell council was still in session.

Chargin said San Jose Council, in voting 5-2 for the annex, publicly stated there had been no agreement reached between the two cities at a meeting last January as to boundaries and spheres of influence and that their method of getting endorsements for annexations is business-like and of no concern to others.

"We have no sphere of influence, if they can get there first" Chargin said.

Mayor Morton said that Campbell had at one time enough of the property owners in the proposed annex signed up to make the protest effectual, but that a deal had been made by San Jose interests for taxes to be waived for two years, if one of the landowners would renege, which allegedly was done.

Councilman Rose was bitter in saying it was "dirty politics" in coursing a way through uninhabited lands to a desired area, citing that the rear land acreage of some homes facing Hamilton Avenue were used as the annex medium.

In the meantime, it was announced that San Jose had withdrawn all offers to participate with Campbell in setting up the storm sewer trunk line from their Tilson properties annex at Saratoga Road and Campbell avenue which would pass through newly acquired Moreland School district property in unincorporated area, the Duc property known as Las Ranchitos subdivision at Campbell avenue and San Tomas Aquino Road, Latimer Park subdivision to San Tomas Creek. Subdividers are to be notified to proceed with the original engineering instructions. City Attorney Joseph Bonacina was instructed to see if the city has a legal right to deny any other municipality a privilege to own, operate and maintain storm drains in another municipality.

In other action, Bonacina said he had been called to confer with Central Fire District on interim tax money which might be due the city from annexed lands, City Engineer Mark Thomas was named to represent the city at a meeting December 28 of the Santa Clara County Sanitation and Flood Control committee, set January 16 for hearing application for rezoning Bucknall property at northeast corner of Campbell avenue and San Tomas Aquina Road, introduced ordinance setting hearing to amend ordinance setting up 3-1 parking ratios, adopted ordinance No. 88 annexing C. E. Reed property at Budd and Winchester Road, and approved unanimously re-appointment by Mayor Morton of J. A. Tomlinson and T. R. Solari to four year terms on the planning commission.

Council took no action toward endorsing favorable vote on setting up the Tri-County water authority that would strengthen the water table and give "political muscles" with which to get state and federal grants, Mayor Morton contending the legislation is not properly set up and that if approved, it calls for a 10c tax on land. Council filed without action, request from Glen Baker, civilian defense director, for a contribution to offset a deficit from S-D day operation.

The four proposed San Jose annexes reviewed were Bryan, off Almaden; Curtner, off Foxworthy; Foxworthy No. 3 on the south side of Casey Road and Foxworthy No. 4 on the east side of Foxworthy.

PIANO RECITAL

Christine Kahrmann, Louise Mitchell and Georgia and Donna Hartman, all of Campbell, took part in a piano recital in the home of Mrs. Maude Taylor last Saturday afternoon, when families and friends of the girls attended.

Following the recital, the group joined in singing Christmas carols.

The French (Agen) prune was introduced to California in the mid-1850s and growers began drying it in the mid-1860s.

Council Will Proceed With Lease-Purchase City Hall

The city council by a 3-2 vote Monday went on record to negotiate a lease-purchase agreement with the Board of Trustees of the Congregational Church for acquisition and improvement of the church building and land on Central avenue so that city employees may have adequate, modern office space and facilities. It was proposed that accumulated surplus funds be used over a given number of years by the city for this purchase at the price quoted prior to the special city election on October 18 when the proposition was involved in a bond issue which did not attain the necessary two-thirds vote to carry.

The issue before the city council Monday was not on the acquisition of city housing, but on the method of doing so. The vote was on whether a public forum be held to discuss the need and the available facilities within the scope of funds on hand and those which may be accumulated the next few years. The vote taken at the adjourned meeting December 14 was 2-2, Mayor Richard Morton and Councilman John Chargin being in favor of the forum, while Councilmen James Arends and Charles Rose cast negative votes, contending that 63 per cent of the voters in the October election had approved city housing in this facility and that there is no other comparable facility available within the price range or in the proximity of centrally located city-owned property.

In the vote Monday with Councilman Gordon Daum present, the vote was Arends, Rose and Daum for the initiative and Morton and Chargin for the forum.

Councilman James Arends was named chairman of the Council committee to continue negotiations and to act.

CITY BLACKED OUT BY STORM

Rainfall is above normal as the storm brought 3.43 inches to Campbell and raised the season total to 6.14 as compared with a normal of 4.86 and last year's total for this time of 4.55 inches. Winds lashed trees about, causing power shortage as seven live wires were grounded, and the police auxiliary and volunteer firemen rallied into service.

A fire truck stood by from 10 a. m. to 4 p. m. on Foote Street near 441 El Patio Drive where a 10,000 volt line fell on a metal fence giving a display of fire until the PG&E Company crew arrived. Street lights were out on Campbell Avenue Monday and Tuesday nights and there was no power at the high school from 2 to 5 Monday afternoon.

A live wire fell at the corner of Catalpa Lane and Winchester and another on West Rincon avenue. Three circuits feeding from the substation at Hamilton and Central avenues broke down but there was no breakdown in the station. The office of W. R. Bowler, PG&E Co. Division manager at San Jose reported that more than 100 calls came in from this area where service wires from main lines to individual homes were down because of high wind and broken branches on wires. Four street light wires were down in Campbell. Wires were down on Dry Creek Road, two places on Quito Road and on Saratoga avenue.

A roof leak over the living room of the Jess Lawson home, 1341 Burrows Road, soaked some sheetrock so extensively that the whole ceiling collapsed with Lawson, who is blind, sustaining minor injuries. Other members of the family were in another room and were not injured.

At the high school the Christmas sign put up by the school and by the Campbell Stamp Association, blew over. Bowler said there was heavy damage throughout the area and that PG&E had to borrow crews from Santa Cruz, Watsonville and Gilroy to help in the repairs.

NEW SHOPPING CENTER ON HOMESTEAD ROAD

Plans for a new shopping center at Homestead Road and Layton Avenue in Santa Clara have been annonuced by Harry McClelland, president of the Capital Company. First unit is to be an 18,000 square foot Lucky Store on a four and a half acre site.

J. C. Ernst, president of Lucky Stores said the building will have a 50-foot-high revolving sign atop the building.

Expected to open by late Spring next year, the center will have parking space for 1,000 cars a day.

BUC VARSITY WINS FIRST GAME OF SEASON

After losing their first four starts, the varsity basketball squad of Campbell High rebounded Tuesday to wallop Santa Cruz 42-33.

The Buc Thirties made it a clean red and blue sweep, as they triumphed by a 34-29 count in the preliminary contest. Both games were played at Santa Cruz.

Dwight Klassen made the difference for the Bucs in the varsity affair. His total of 16 points secured him high point honors and was a big factor in the outcome of the game. Right behind was Roger Almquist who basketed nine markers.

Going into the fourth quarter, it was 28-25 when the Bucs poured on the gas and stretched their lead to nine.

In the thirty contest, it was Mickey Filing sparking the Bucs, coming through in the clutch to account for fourteen digits, five of which came in the fourth quarter. This five points proved to be the victory margin, as the final score read, 34-29. Don Kitajima, Buc center, registered an all important total of 12 points.

"All Aboard for Christmas" was presented by the children of Hamilton Elementary School before audiences of about 800 in three showings. On the 12th, it was seen by the Hamilton PTA, and on the 14th it was presented before members of the Campbell Teacher's Association at the Campbell Grammar School and on the 16th it was seen by Hamilton School students in their auditorium, representing many hours of hard work. In the scene above are: Standing, left to right, Randy Sutton, Mike Colby and Marilyn Means. Kneeling and sitting, left to right are: Lynda Anne Stoops, Jean Beck, Butch Fischer, Nancy Carothers, Susan Goldner, Tom Beck and Elizabeth Thurman.

Planners Say Old Report Obsolete

ANOTHER LAND USE SURVEY PROPOSED

That a special meeting will be called soon after the first of the year to study the ultimate street plan, land use and traffic flow, was proposed Thursday evening by Nestor Barrett, planning consultant, at the Campbell Planning Commission meeting.

"We have outgrown our elementary study project conducted about fifteen months ago" Barrett told the planners, referring to the city wide traffic survey. He said the master plan should have the ultimate street pattern serving neighborhoods computed on population growth trends in line with school enrollment surveys. Industrial and commercial areas may be reviewed for practical zoning in what he referred to as a more refined plan.

A letter is to be sent to the city council by the Planners proposing that steps be taken to determine the cheapest and most practical way to improve streets for curbs, walks and storm drains possibly through a common assessment district that would be city-wide in scope. Commissioner K. D. Priestley said this would seem more practical than issuing permits piecemeal for individual owners to make such improvements, because the overall cost would be reduced and the work would be uniform.

Zonings for service stations at the northwest corner of Winchester Road and Hamilton avenue and at the northeast corner of Campbell Avenue and San Tomas Aquina Road were approved but only after Homer Hyde, secretary of the commission asked, bluntly;

"What is the saturation point in Campbell for service stations?" Many valuable commercial corners are taken over by major oil companies and stations put there in manners that freeze out other commercial enterprises seeking this type of location.

Because no one appeared in behalf of the application for a use permit filed by Ivan Kucich to erect an apartment house on the west side of the San Jose-Los Gatos Road between Campbell and Hamilton avenues, the application was rejected, and it is understood will now be presented by the applicant to the city council for consideration. Planners said there was no new evidence submitted from the time the application was rejected at a previous meeting.

Planners took no action on a letter from William Henley, Campbell district school superintendent, for a walkway easement from the Cherry Lane School to Sunnybrook Gardens No. 2 subdivision which is on the west side of San Tomas Creek, the contention being that the path would be some 700 feet over privately owned property over which the city has no jurisdiction. Barrett pointed out that eventually when San Tomas Boulevard is constructed, the creek will be fenced off according to conditions set up by the city engineer. He said however that by that time the children of this and other new subdivisions on the west side of San Tomas Creek, will be in another school zone in the district which would make unnecessary the proposed walkway easement.

The house numbering plan passed first hearing Thursday as Barrett reviewed the 1000-per-mile system which he said would be geared from Campbell Avenue and Winchester Road. A final hearing is to be held January 19th.

Continuing the hearing on application of Dr. Glen Stoops, chiropractor, for changing from R-1 to commercial, his residential and office property at 334 North Winchester Road so that it can be remodelled to serve a physician for office, was denied on a contention that the proposal calls for decisions by the city building inspector and the city attorney on variance and land use application. Atty. Paul Gallagher represented the applicant saying this procedure would probably be more satisfactory than engaging in spot zoning, for which there was some voiced opposition by Mr. and Mrs. Bert Simmons. L. W. Harmon and J. A. Tomlinson, commissioners, said they were not for spot zoning but felt that eventually the area would become commercial. Kenneth Priestly asked if consideration might be given some nine residential properties as commercial from the Grammar school line to Latimer, which proposal touched off challenging words from Simmons that it looked like a squeeze play to make residence owners pay commercial property taxes. Priestly denied any such intent, which was supported by other members of the commission.

Rotarians Hold Kid-Geared Party

Campbell Rotarians held a "kid-geared" Christmas party at Monroe School last Monday evening for 100 members and their families, which started with a turkey dinner with all the trimmings, prepared under the direction of Mrs. Florence Fuller.

Bob Neily, Campbell High School graduate and now a student at San Jose State, performed magic tricks for the amazement and amusement of the youngsters, in which the children took part. Eddie Tonini accompanied the group in Christmas carols. The evening was concluded with a visit from Santa with gifts for all the youngsters.

Neal Royer was general chairman for the party, assisted by Mrs. Don Witzel, who was in charge of decorations, assisted by Mrs. John Johnson and Mrs. Robert Jasmine.

State Buys Land For Butano Park

The State has made a token payment for 320 acres in Butano Forest from the Federal Government as a step toward setting up the Butano State Park.

Plans call for successive acquisitions from private owners until the mountain park totals about 2,400 acres, including some 900 acres of virgin redwoods.

The State paid $6.50 an acre for the first lot, of which about a fourth is virgin timber.

Tentatively compromised earlier this year was a dispute surrounding a portion of land owned by the Pacific & Santa Cruz Lumber Cos. Money will be included in the next State budget for purchase of the private properties, Gov. Goodwin J. Knight has indicated.

The acquired land contains an air strip for light craft.

European Scene

EDITOR'S NOTE: Virginia Grattan, former San Jose State College and Campbell High School student has been in Europe since August. This is another of a series of articles written by her.

In Germany the Christmas season usually begins four weeks before Christmas on December 1st. It is traditional for children to put their shoes on the window sill on each of the Saturday nights preceding Christmas. In the morning they find the shoes filled with candy and goodies. It is also traditional to light the Christmas wreaths at this time. The wreath lies or hangs flat (rather than hanging perpendicular as ours do) and has four candles on it. One is lit each week end of the four weeks before Christmas. Sometimes this is done with a little ceremony and the family gathers to sing songs as the wreaths are lit. These wreaths are seen in the schools as well as the homes, either hung from the ceiling or on a little stand, and the tradition is carried on in the schools as well as the homes.

On December 6 Santa Claus appears in the cities and walks through the streets throwing candy to the children. (Santa is sponsored by the local merchants).

Then comes Christmas eve—

At six in the evening all the family go to church — Fater Schmitt, Mutter Schmitt, and the four children, Carl, Ludwig, Helga, and little Ria along with Uncle Otto who has no family. Ingeborg, the oldest daughter, stays at home to prepare the table and light the tree. The tree is decorated with chocolate Santas, small red apples, candy goodies, sparklers (like the ones used at 4th of July in the states) and candles rather than electric lights.

When everyone comes home from church the tree is all aglow and it is most beautiful to behold. Ingeborg plays the piano, Ludwig and Fater Schmitt play blockflote (wooden flutes) and everyone sings Christmas songs. When the music is finished the children, Helga, Ingeborg, Carl and Ludwig, take turns reciting the Christmas story from passages from the Bible. Then everyone sits down at the table and opens the gifts, with all the noise and excitement of any family, at this moment in the Christmas celebration. After this Mutter and Ingeborg serve dinner, which since it is late by this time, is a very light one of carp (fish), potatoes, salad and a light dessert. After the children have gone to bed the elder members of the family sit and talk and drink (gliik) a spiced, hot red wine.

Christmas day the family usually spends together, although for a short time, they may go to other relative's homes to exchange gifts, families still consider Christmas day, " a home day" and time for a big family dinner. It usually consists of goose, with apple sauce, red cabbage, a soup and light dessert. Each person has a plate of cookies and each choose goodies from the tree.

And so Christmas passes as it does everywhere, but this, generally speaking is the way it is observed here in Germany. Performances of the opera "Hansel and Gretel" are traditional, too during the holiday season. Santa and his sleigh are also traditional, but in Germany there are no reindeer attached to the sleigh. How he ever arrives without reindeer must, indeed, be a miracle to the children, or so it seems to this observer.

I have been told that each Christmas that families are very generous about inviting U. S. service men without families in this country, to enjoy a Christmas dinner in German style. In turn, American families stationed here invite German orphans to enjoy Christmas dinner American style. This kind of cooperation makes Christmas a truly happy event for everyone.

Past Noble Grands Christmas Party

Mrs. Nino Bongiovanni of 416 Rosewood Avenue, San Jose, will be hostess at the meeting and Christmas party of Past Noble Grands of Campbell this evening. Mrs. Herman Y. Rice, Sr., will preside at the meeting.

Mrs. Gilbert Lathrop will assist Mrs. Bongiovanni.

The Rev. John M. Galagan, vicar of St. Mark's Episcopal Church at Santa Clara who was ordained Wednesday, is seated beside his mother, Mrs. Thomas Treaty of Santa Cruz, while Bishop Karl Block of the San Francisco Diocese points to the Williamsport Church in the mural at the Virginian in Campbell following the ordination, where some twenty vicars of Episcopal churches on the Peninsula were having luncheon yesterday.

CAMPBELL VOTING FOR MORE SCHOOLS

An election has been called for Thursday, January 12 by the governing board of the Campbell Union School District seeking authority to accept and spend an apportionment of $1,800,000 from the State of California for school building and expansion purposes to meet an unprecedented growth within the district. The state money is earmarked for sites and buildings, the operational costs to be paid from local tax money.

The State money would be available for a new school on Fruitdale avenue, for construction of eight portable classrooms to meet needs at Cypress, Hamilton and Dover Schools, for the purchase of three new school sites and for building schools on those sites. An estimated cost of these projects, according to C. E. Bradley business manager of the district, is $1,590,000, the other half million dollars to be spent for additions at San Tomas, Quito, Cypress and Moorpark.

The school district is to be divided into nine precincts, the officers being:

1. Dover School: Inspector Dolly L. Koster; judges, Eunice B. Gipe and Myrtle Coil.
2. Moorpark School: Inspector Pearl R. Sidensol; judges, Marjorie S. Deana and Betty Bassoni.
3. San Tomas School: Inspector Ruth Duus; judges, Gertrude Eades and Eleanor Graham Armstrong.
4. Monroe School: Inspector Amelia Romac; judges, Dorothy Wetterstrom and Doris D. Rogers.
5. Hamilton School: Inspector Barbara English; judges, Sarah Fischer and Lois Walker.
6. Rosemary School: Inspector Ellen Jensen; judges, Ethyl Tranberg and Evelyn Buck.
7. Cypress School: Inspector Helen F. Anderson; judges, Frances Pisano and Dorothy Wolverton.
8. Quito School: Inspector Wilma Stiltz; judges, Carol Patrick and Farrie Hogan.
9. Cherry Lane School: Inspector Charlsie E. Little; judges, Gertrude Jones and Louise J. Peterson.

FAMILY SAVED AS HUGE OAK CRUSHES HOME

High winds and blustering rain toppled a 100-foot tall oak tree on the roof of the home of Mr. and Mrs. E. A. Crumm at 12910 Lantana Drive in the Quito district but the family, including the ten-year old son, all in the house at the time, were saved from injuries.

The tree, located in the front of the house, fell through the roof, smashed in the front door and extended to the rear where it smashed the back door. A side branch hit into the garage and bashed in the top of Crumm's auto.

Crumm, who is invalided because of a recent operation on his leg, was helped from the house by neighbors and firemen and into the home of Mr. and Mrs. E. Bothwell at 12794 Lantana Drive.

The house and car are insured, Mr. and Mrs. Crumm said. "We are thankful that none of us were injured," they said.

The insurance totaled $9,000 for the home. The house originally cost $10,950.

The Crumms moved into the home less than two years ago. Crumm said he was worried about the tree and was "going to take it down next spring."

When the tree fell it downed the house's power lines and the PG&E shut off the power to the area when they were notified.

The Crumms said they would move into an apartment when they can remove their clothes from the wrecked house. "We hope the rain doesn't ruin them," they said.

Man Hurt Getting Out Of Car Here

An accident on Third and Campbell Avenues last Thursday sent Alfred Mockle, 72, of 10675 Flora Vista Avenue, Cupertino, to O'Connor Hospital with head injuries. Campbell police reported Mockle was emerging from his parked car when it was hit by a car driven by Mrs. Edith Flagg, 65, of 21518 Madrone Road, Los Gatos.

Evalee Furnare, 32, of 870 Goodwin Avenue, San Jose, was treated at San Jose Hospital for minor injuries after a three-car collision at San Jose-Los Gatos Road and Pamlar Avenue last Monday. Others involved in the collision were Betty Ohara, 22, of 11814 Miller Avenue, Cupertino, and Thomas Waggle, 40, of 39 North Fourth Street, Campbell.

Peter Lassen, a Swiss guide for General John C. Fremont, was killed by Piute Indians at the base of Mount Lassen in 1859.

New Stock Issue From Los Gatos Phone Company

Lyndon Farwell, president of the Los Gatos Telephone company, announced this week that the board of directors of the company on November 30, authorized the issuance of 18,737 shares of its common stock at $16 per share.

The issuance is subject to approval by the Public Utilities commission of the State of California, and to compliance with the Securities Act of 1933, as amended, and regulations issued thereunder.

The company proposes to offer the stock initially to its common shareholders of record at the close of business January 15, 1956. Common stockholders have a pre-emptive right to subscribe pro rata to any new issue of stock.

The telephone company also proposes to offer any such stock not subscribed to by the common stockholders to the general public.

STORMY WEATHER

With rain, wind and slashing tree branches, men go into action repairing broken wires so that electrical power can be resumed and telephone calls completed. It happened this week in a storm that brought nearly three inches of rainfall in Campbell. Linemen who do routine work in fair weather, do hazardous and uncomfortable work under the most trying weather conditions.

The police reserves and volunteer firemen also go into action under these emergency conditions, and Campbell was fortunate to have a good response from them. It demonstrated the need for civilian defense, for one never knows when an emergency may arise of even greater proportion than the storm and seven grounded electrical wires.

THE CHRISTMAS STORY

"And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed. And all went to be taxed, every one into his own city.

"And Joseph also went up from Galilee out of the city of Nazareth, into Judea, unto the city of David which is called Bethlehem, (because he was of the house and lineage of David:) to be taxed with Mary his espoused wife, being great with child.

"And so it was, that, while they were there, the days were accomplished that she should be delivered. And she brought forth her first-born son, and wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn.

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

"And the angel said unto them, 'Fear not: for behold, I bring you good tidings of great joy, which shall be to all people, For unto you is born this day in the city of David a Saviour, which is Christ, the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men."

This eternal story, as told in the second chapter of St. Luke's Gospel is ever new. It is told again in this season as men celebrate the birth of the Prince of Peace in song and ceremony. The great need today, as always, however, is that men worship not merely in words but in deeds — that they practise Christ's precepts in their daily lives. When they do this, the fatherhood of God and the brotherhood of men will become a reality on earth and war and want will be known no more.

The Greenback Party is talking of running Fred Proehle of Edmond, Washington as candidate again. The party feels that the government should finance its operations by printing paper money instead of issuing interest-bearing bonds. We would like to run the Campbell Press the same way but feel that Uncle Sam might take a dim view of it.

The Campbell Gambol

AUXILIARY POLICE and firemen were called into action Monday as seven live wires were felled in various parts of Campbell and protection was needed to keep passers-by from touching them while waiting for a line crew from the Power company to get into action and every available man was pressed into service by PG&E to correct service breaks . . . . electric clocks got out of whack and were from half hour to three hours behind car clocks, wristwatches, Grandfather clock and cuckoo clocks, any of which do not depend on electric power . . . in the meantime storm sewers were filled and manhole lids were bouncing about, like celluloid balls tossed in a fountain according to one observer . . . a big walnut tree toppled over on Hamilton Avenue, and an oak crashed over the roof of Mr. and Mrs. Ernest S. Crumm on Lantana Drive in Quito Park, a ceiling under a sheet-rock roof collapsed with a resounding thud at the home of Jess Lawson at 1341 Pollard Road while the family was in the kitchen with Mr. Lawson who is blind, sustaining some injuries . . . at Campbell High School, the 15x40 foot sign on the east lawn with its Merry Christmas and a Happy New Year greeting on one end and the snow scene on the other, was whiffed over by the wind, while the big, red bells dangled along Campbell Avenue, Winchester Road and San Jose-Los Gatos Road and held their places in utter defiance of the storm.

ROOSEVELT TREE planted in 1907 by Teddy Roosevelt at Campbell avenue and Winchester Road. submitted to a bit of tree surgery last week and has been doing well, except that the wind blew some of its branches down with no damaging effect . . . seems to thrive on stormy weather . . . back in October 1929 the files of the Press report high school and grammar school students were to have gathered by the tree to pay homage to Ex-President Theodore Roosevelt, but high winds forced participants to seek shelter in the school auditorium, following which a short playlet was held under the tree showing Boy Scouts and the Camp Fire Girls protecting the redwood from the attack of the lumberman, the town dedicating it as a living monument to Roosevelt for years to come, describing it as being 75 feet tall and 31 inches in diameter, comparing favorably with giants of its kind some of which are more than 5000 years old, 300 feet high and 20 feet in diameter . . . C. H. Allen was speaker of the day, the Rev. Albert Buell of Campbell gave the invocation, Harold Gardner, president of the Campbell High School student Body presented the shovel used by President Roosevelt in planting the tree and Stephen Merrell sang two solos . . . . wonder what happened to the shovel, and what will happen to the tree if Winchester Avenue is widened as planned.

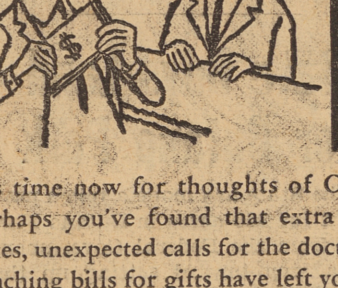
Holiday Greetings

Now that we're in the home stretch of what looks like the biggest and best holiday season of all, we would like to express our hope that this will be the Merriest Christmas ever for you and your family! And as a thought for next year, we'd like to suggest that one of the best resolutions you can make is to open a Bank of America savings account and keep it growing with regular deposits. It's a wonderful way to start the New Year and it will give you that care-free feeling of having money in the bank.



FIRST
THINGS
FIRST!

It's time now for thoughts of Christmas, of course. But perhaps you've found that extra expenses like real estate taxes, unexpected calls for the doctor and, of course, budget-pinching bills for gifts have left you temporarily "strapped" for money. If so, why not come in and see us about a Timeplan Personal Loan. Timeplan cost is low and you can repay in easy monthly instalments. It's the business-like way to borrow—and you can pay off all your bills all at one time.

? BofA Quiz Corner ?

DID YOU KNOW THAT you can make a deposit to your Bank of America savings account on or before January 10th, and it will earn full 2% bank interest from January 1st? It's a good idea to start your account or make a deposit now.

Scout-O-Rama Dates Are Set

Fred Hilton, Council Camping and Activities Chairman of the Santa Clara County Council Boy Scouts of America, a Red Feather Agency, announces that the annual Scout-O-Rama will be held at the Santa Clara County Fairgrounds on May 18 and 19, 1956.

The San Jose Junior Chamber of Commerce will again sponsor this yearly activity. Mac McNiel has been named as their general chairman, with Gordon Levy responsible for promotion and publicity; Al Runner, Finance; Leonard Smith, Housing; and Art Gary, Program.

A meeting of this committee and members of the professional staff was held with Mr. V. E. McDonald of the Council Camping and Activities Committee on Friday, December 16th to develop the plans for the Scout-O-Rama.

CAMDEN HIGH OPENS LEAGUE SEASON WITH MOUNTAIN VIEW ON HOME COURT

Camden High School opens the league season in basketball on January 3 with Mountain View on the open court of their own gymnasium while preparing for a game in the gym on January 15 when seats are to be ready and the rooting sections turned into action. These will be the first games in the school's new gymnasium.

The Cougar B team lost Friday 28 to 21 to the Campbell B JV's while Camden Varsity also dropped a 41-31 game to the Campbell JV's.

The Cougars led 18-15 at the half but was out-scored 14-3 in the third quarter as Campbell gained its margin of victory. Gregory Rocha of Camden was high scorer with 15 points.

In the B game on the other hand, Campbell led all the way. Yoshi Kiraki of the Cougars was high scorer with 12 markers.

Yule Pageant In New Church This Evening

The family Christmas program of the First Methodist Church will be held in the new church on Winchester Road tonight. when a Christmas pageant is presented by church members in the form of a family Christmas scene, with Pat McClennahan as the herald. Virgil Greenley, in the part of the father, will read passages from the Bible, with other members taking part in tableaus depicting Bible scenes. Mrs. Mervil MacLean will take the part of the mother. Others taking part in the pageant will be Miss Sharon Strong, Donald Quinsland, Terry Tanner, Kathryn Neale, Bob Shipman, Miss Beverly Benson and John DeRaad. Also Owen Nelson, Fred Helmbold, Paul Jacobus, Keith Reinegger, Nicky Smith, Richard Blaine and Douglas Guilbert. Howard Guilbert, Jerry O'Connell and John Runcie will present vocal solos in the role of the Three Kings.
lections.

The Youth and Junior Choirs will present a number of musical se-

Child care for younger children will be provided in the "little house" beside the parking lot, the recently renovated meeting place of the nursery and kindergarten departments.

Mrs. Glen Reinegger is chairman of the program committee. Refreshments will be served by the Women's Society of Christian Service.

Christmas observance for the First Methodist Church will begin with a candle light midnight service on Christmas Eve at the new church site on Winchester Road.

On Christmas Day at both 9:30 and 11:00 a. m. services, Reverend Herbert Neale will preach on "The Good News of Christmas'. Baptism and receiving of new members into the church will also take place at both services.

Nursery and kindergarten classes will be held in the "little house" beside the parking lot, which has been prepared by the Tandem Club.

Adult classes will meet in the new fireside room at 11:00 a. m. Primary and junior departments, first through sixth grades, will continue to use the present church on Campbell Avenue. The youth department will move to the new church in a few weeks, when accommodations are completed.

Billy Wilson On AP All-Pro Football Team

Billy Wilson of Campbell was one of the four west coast players named by Associated Press on the All-Pro football eleven this week.

An end for the San Francisco 49ers, the former Campbell High School star was again rated the outstanding pass receiver in professional football ranks.

Bob St. Claire also of the 49ers, Ron Waller of Los Angeles Rams and Halfback Bill Sherman of the Rams were the other West Coast selections. Seven members of the Cleveland Browns made the 22-man All-Pro, two platoon selections.

Insect Study Wins Trip For 4-H'er

Kay Fisher

Kay Fisher, 20, of Hollister, Calif., is among 12 Sectional winners in the Nation in the 4-H Entomology program. She will attend the 34th National 4-H Club Congress in Chicago as the guest of Hercules Powder Company.

Her 4-H records show that from a cigar box display her collection grew to 432 insects, classified and mounted. She won 91 blue ribbons and many prizes and other high awards on her exhibits. She was alternate in state competition in 1953 and state winner in 1954 when she received a watch. She was chosen a county 4-H All-Star and All-Star reporter.

She made 46 demonstrations on such topics as "How to Identify Insects," and "Making and Using a Spreading Board for Moths and Butterflies." She was interviewed on radio twice and appeared on a television program.

She chose Lepidoptera as her specialty one year and collected 15 different kinds of butterflies and eight different families of moths.

She was in charge of entomology field days, booths, and meetings and a window display for National 4-H week.

She completed 30 4-H projects, held offices in her club and was Junior Leader in charge of entomology in the county. She helped organize new entomology clubs and trained leaders and members.

At present, she is assisting the County Agriculture Commissioners in a county-wide insect survey in order to help farmers identify insects. She also operates a "Japanese Beetle Station" for the United States Department of Agriculture. Her local leader is Allen D. Smith.

From the 12 regional winners, six will be selected to receive $300 scholarships at the Congress.

Motorist Dies At Saratoga In Rainstorm

A man who had hit a dog with a car he was driving got out to see what he could do to help and was himself hit by an auto and was taken to a hospital in San Jose where he died Monday night.

Victim was Walter Caldwell, 51, a Saratoga insurance broker of 321 Bradley avenue. The accident occurred on the Saratoga Road near Quito and police say the driver of the other car was Richard Fairbanks, 22, of Donner Drive, Los Gatos, who was not held.

Kaiser Expanding Aluminum Plants

OAKLAND—Kaiser Aluminum & Chemical Corporation today announced a new $280,000,000 expansion program that will bring the company's total primary aluminum capacity up to 654,00 tons (1,308,000,000 pounds) per year.

"This expansion will increase Kaiser Aluminum's basic capacity by more than 50 per cent and establish the company as the nation's second largest aluminum producer by a substantial margin", D. A. Rhoades, the corporation's vice president and general manager stated.

Major projects under the new program will be construction of a 220,000-ton aluminum reduction plant at Ravenswood, West Virginia, to cost $120,000,000 and a 500,000-ton aluminum plant on the Mississippi River near Gramercy, Lousiana, to cost $60,000,000. It is planned to break ground for these facilities by April, 1956.

The new expansion program also provides for chemical facilities and a broad range of additional mill fabricating facilities.

"Our decision to go ahead immediately on this next major phase of our long-range planning is based on recently completed surveys by our own Market Analysis Department", Mr. Rhoades said. "These surveys indicate the nation's aluminum usage will increase from this year's estimated consumption of some four billion pounds to over eight billion pounds by 1965".

Verse Speaking Choir Presents Campbell Story

Mrs. E. R. Kennedy, leader of Circle No. 1 of the WSCS of the Campbell Methodist Church, entertained ladies of her circle, also those of Circle No. 4, at a breakfast in her home at 61 Catalpa Lane, last Thursday.

Members of the groups exchanged Christmas gifts and all joined in a number of Christmas carols. The verse-speaking choir presented a composition by Mrs. Kennedy, "Missionary's Answer to World's Unrest".

Assisting Mrs. Kennedy were Mrs. George Green and Mrs. Earl Buck, who is president of the WSCS.

Campbell High Trio Competing For Scholarships

Three Campbell High School seniors have advanced to the semi-finals in what is said to be the largest private scholarship program in American history. They will be among the 5000 scholastic All-Americans to take the second examination on January 14 in the nation wide search by the National Merit Scholarship Corporation.

At stake are at least 425 four-year scholarships valued at over $2,500,000 participated in by Sears-Roebuck, Time Inc., Stewart-Warner, Gillette Company.

The 5000 winners, among whom were the three from Campbell, were the high scorers among 60,000 hand-picked students in the preliminary screening test given October 26. The test to be given January 14, a college aptitude test, will be taken in testing centers throughout the United States. About 2,500 of those taking it will advance to the finals where as many as 500 merit scholars and 2,000 certificate of Merit winners will be identified. Merit scholars will be allowed to attend any accredited college or university of their choice, the amount of each scholarship to vary depending on the needs of the scholar, but will range from $100 per year to complete tuition and living expenses for four years of college.

The Semi-finalists from Campbell High School were Steven Denis Dunn of 392 N. Carlyn Avenue, sports writer for the Campbell Press, John Davis 198 N. Carlyn Avenue, and Steven C. Hunter of 16269 Mozart Avenue.

From San Jose were Allan Clark of 1317 Weaver Drive, Susan King of 1266 Clark Way and Cornelius Moynihan of 1354 San Juan while from Los Gatos were Dorothy Cook of 245 Loma Alta and David Hamilton of Saratoga as the only other semi-finalists from South Santa Clara County.

CAMDEN, CAMPBELL STUDENTS WILL DIRECT BLOOD DRIVE

Campbell area residents will soon be asked to donate blood for the Red Cross blood drive when their mobile unit comes to Campbell on February 2nd.

The Red Cross supplies from 900 to over 1,000 pints of blood to the four San Jose hospitals each month and they must have a constant supply of blood to maintain a reserve sufficient to meet all emergencies. Campbell area residents used an average of 5 to 40 pints of blood each month during 1954, for a total of nearly 500 pints for the year.

Laurance Hill, superintendent of Campbell Union High School district who is also a general chairman for the Campbell district Red Cross, has announced that the coming Red Cross blood drive is being organized under chairmanship of Steve Hunter, with Carol Young as vice-chairman and Carol Hansen, secretary, all Campbell High School students. Ray Bishop is blood program chairman and Mrs. Irma Saunders is volunteer chairman. Both are faculty members.

The blood drive will be conducted by students from Campbell and Camden High Schools with several faculty members as advisors. The following students, representing various departments in both schools, will assist in the drive: Nancy Hertrick, Junior Red Cross at Campbell High; Carole Hansen, president of Nurses Club at Campbell High; Carol Steinmetz and Janice Polglase, F. H. A. at Campbell High; Carol Titus, Nurses of Tomorrow, Campbell High, and Bonnie Jean Chapman, Camden High Speech and Debate department.

Faculty advisers are: Samuel P. Reed, principal at Campbell and George B. Kemp, vice-principal, also Mrs. Adele Charlson, Mrs. D. Harrington, Mrs. C. Flynn, and Taylor Harrell from Camden High.

BUC VARSITY DROPS OPENER IN TOURNEY

By Steve Dunn

The varsity dribblers of Campbell High represented the school last Thursday and Friday, December 15 and 16, in an All-City Tournament held at James Lick.

Matched against a tough Fremont squad, the Bucs were defeated, 46-30, in opening action, Thursday afternoon. The next evening they were no more successful, dropping a consolation game to the Bulldogs of San Jose by a score of 45-40.

Dwight Klassen led the Bucs in these two contests, as he accounted for eight points against the Fremont Indians and nine against the Bulldogs.

The eventual winner of the tournament was Santa Clara.

BRUCE ALLEN IN ON WAR PATH WITH LOBBY RING OF LONG BEACH

Assemblyman Bruce Allen is ready to file charges with the district attorney of Sacramento County that lobbyists from Long Beach have been illegally active in the legislature. He alleges that the lobbyists were retained by the City of Long Beach to oppose legislation on transfer of tideland oil royalties to the state treasury.

Allen said he has asked the attorney general to check into these actions and give him names of those registered, and will then give a list to the Sacramento County district attorney for action, where the alleged action took place.

California borate production comes from two major sources, Kern and San Bernardino Counties.

The State Legislature in 1925 prohibited the planting of any variety of cotton other than Acala.

Automobile registration in California, approved in 1905, provided for a $2 annual fee; no provision was made for a license plate.

TELEPHONE COMPANY PAYS OUT $589,021 TAX INSTALLMENT

A check for $589,021.47 was presented today to Roy P. Emerson, Santa Clara County tax collector, by N. A. Kulish, San Jose manager for Pacific Telephone.

The amount covers payment of the first installment of the company's 1955-1956 ad valorem taxes on Santa Clara County tax bills, and includes taxes collected by the county for Alviso, Campbell, Gilroy, Los Altos, Milpitas, Morgan Hill, Mountain View, San Jose, Santa Clara and Sunnyvale. It does not include city taxes for Los Gatos and Palo Alto, which collect their own city taxes.

This installment gives Santa Clara county for general county, school and special district purposes the sum of $505,158.03.

Kulish stated that the telephone company's total ad valorem tax bill for 1955-56 in Santa Clara County for all city, general county, school and special district purposes will total $1,223,996.85.

This is $156,634.96 or 14.7 percent more than the previous year's taxes paid by Pacific Telephone in this county.

Faculty Club Entertains At Camden High

Campbell High School District Faculty Club held their annual dinner dance at the Camden High School on Monday evening, when faculty members from both high schools provided the entertainment, with Laurance Hill, superintendent of the district, as master of ceremonies.

In keeping with the club's tradition, new faculty members from each school were responsible for the program.

James Gillespie was master of ceremonies for the program presented by Camden faculty members. The musical trio of Robert Seibert, Stanley Sondeno and Don Campbell, presented a group of Christmas songs, accompanied on the piano by Mrs. Marian Young. Bill Walker gave a reading of "The Christmas Story".

"A Midwinter's Nightmare in Fair Camdenia", written by William Ragent, was a humorous skit presented under the direction of Mrs. Sibyl Morse.

New faculty members from Campbell High presented a parody on "The Night Before Christmas" which was written by Wade Wilson. Dick Gordon led community singing.

Miss Pat Kutzner and Ernie Pope were general chairmen for the affair.

Members of Camden Future Homemakers of America served the dinner and prepared the dessert, under the direction of Mrs. Mabel Swift, head of the Home Economics Department at Camden.

ROBERT FAIRCHILD CHOOSES SANTA MONICA GIRL AS BRIDE

St. Gerard Magellen Church in Santa Monica was the scene of the wedding of Nancy Wheeler of that city, and Robert Fairchild of Campbell, with Reverend Brennan officiating at the ceremony.

For her wedding, Nancy chose a ballerina length gown of rose point lace over net, fashioned with a v-neck and elbow-length sleeves. Sequins were scattered on the bodice and also bordered the neckline. Her fingertip veil dropped from a coronet of white satin trimmed with seed pearls. She carried a French bouquet of white rosebuds. Her only attendant wore a melon pink sheer ballerina length gown and carried a French bouquet of pink rosebuds.

Hal Fairchild was best man for his brother, and ushers were friends of the couple from Santa Monica.

For the ceremony, Mrs. Wheeler wore a powder blue lace dress with pink accessories with an orchid corsage.

Mrs. Fairchild, the groom's mother, chose a two piece navy taffeta dress with matching accessories and wore an orchid corsage.

Nancy is the daughter of Mr. and Mrs. William Wheeler of Santa Monica. She attended a Santa Monica high school and is employed as a secretary.

Bob is a graduate of Campbell High School and is attending an electronics school in Santa Monica. He is the son of Mr. and Mrs. L. C. Fairchild of 161 North Second Street, Campbell.

Following the ceremony, a reception was held in the home of the bride's parents for over 60 friends and relatives of the couple. Varied colored mums, snapdragons and white stock decorated the home for the reception.

The couple is spending their honeymoon at Lake Arrowhead, and will make their home in Santa Monica, on their return. The new Mrs. Fairchild wore a charcoal wool suit with pink accessories when they left for their wedding trip.

LEGAL NOTICE

ORDINANCE NO. 88

BEING AN ORDINANCE OF CITY OF CAMPBELL APPROVING THE ANNEXATION OF CERTAIN CONTIGUOUS UNINHABITED TERRITORY TO CITY OF CAMPBELL, A MUNICIPAL CORPORATION, COMMONLY KNOWN AS THE LANDS OF C. E. REED, ET AL, AND DESIGNATED AS CAMPBELL ANNEXATION 1955-6, IN ACCORDANCE WITH THE PROVISIONS OF SECTION 35300 ET SEQ. OF THE GOVERNMENT CODE OF CALIFORNIA.

WHEREAS, the City Council of City of Campbell, California, did heretofore on October 24, 1955 initiate proceedings for the annexation of certain uninhabited territory contiguous to the boundaries of City of Campbell, and

WHEREAS, said action by the City Council was supported by the written petition from the owner of not less than one-fourth (¼) of the area and of the assessed value of all the land proposed to be annexed, and

WHEREAS, the City Council of the City of Campbell, did, on the 24th day of October, 1955 pass and adopt its Resolution of Intention to annex said uninhabited territory, hereinafter described, lying outside of and being contiguous to the boundaries of the City of Campbell, which said Resolution fixed notice of the day, hour and place where any person owning real property within such territory so proposed to be annexed and having any objections to the proposed annexation might appear before the legislative body and show cause why such territory should not be so annexed, and

WHEREAS, the said Resolution and Notice was duly, regularly and lawfully published for two (2) successive weeks prior to such hearing in the Campbell Press, a newspaper of general circulation, published in the City of Campbell, and for two (2) successive weeks prior to such hearing in the Los Gatos Times, a newspaper of general circulation published outside the City of Campbell, but in the County of Santa Clara, State of California, proof of said publications having been made by the affidavits of the publishers on file with the City Clerk of Campbell, and

WHEREAS, the copies of said Resolution and Notice were duly and regularly mailed by said City Clerk to each property owner in said area proposed to be annexed as shown by the last equalized assessment roll in Santa Clara County and as required by the provisions of Section 35311 of the Government Code of California as amended and all other requirements of said Government Code with respect to the annexation of uninhabited territory having been complied with; and

WHEREAS, such hearing was held pursuant to said Notice contained in said Resolution on the 5th day of December, 1955, at the time and place fixed therein, and

WHEREAS, such hearing was not less than fifteen (15) days nor more than fifty (50) from the date of passage of said Resolution, and

WHEREAS, at the said hearing there were no protests by any owner or owners of one-half (½) of the value of the territory proposed to be annexed, according to the last equalized assessment roll of the County of Santa Clara, State of California, and

WHEREAS, the City Council finds that the territory proposed to be annexed is contiguous to the boundaries of the City of Campbell, and that the same is uninhabited territory as defined by said Government Code of California and that the annexation of the same would be for the best interest and general welfare of the people of the City of Campbell, and

WHEREAS, all of the said territory is within the boundaries of Central Fire Protection District of the County of Santa Clara, State of California, and that it is for the best interest of the people of the City of Campbell that said lands herinafter described be withdrawn from said district.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CAMPBELL DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. That the annexation of the uninhabited territory hereinafter described be, and the same is hereby approved, and that the said territory be, and the same is hereby annexed to the City of Campbell; and that the territory affected by this approval and the proceedings heretofore had shall be commonly known as the lands of C. E. Reed et al, and designated herein as Campbell annexation 1955-6, and more particularly described as follows:

Beginning at a bolt at the intersection of the center line of the Santa Clara-Los Gatos Road with the Northerly line of the Northwest quarter of the Southwest quarter of the Section 35, Township 7 South, Range 1 West, M. D. B. & M., said point of beginning, being the Northwesterly corner of that certain tract of land conveyed by F. R. Peake to Florine E. Friends of J. B. Wagner, former resident of Campbell and engineer at the cannery for many years, has returned to his home in San Jose, after spending some time in a rest home, as a result of injury. He will spend the holidays with his wife, Flora. Wagner's son, H. M. Wagner, lives at 727 Normandy Drive in Campbell.

Margie Young, 6, first grader at San Tomas, has recovered from a mild case of scarlet fever in time to enjoy Christmas festivities. Her brothers and sisters, David, Cathie, Betty and Mark fortunately escaped the "bug". Margie is the daughter of Mr. and Mrs. M. W. Young of 985 Capri Drive. Mrs. Young's sister Mrs. Naomi James and children Rhyse, Cheryle and Albert Lee will be here from San Diego for Christmas. The visitors will spend some time with Mr. and Mrs. D. R. Owens, also of Capri Drive, who are parents of Mrs. Young and Mrs. James.

It will be a happy Christmas for the C. W. Shockley family of 66 El Caminito, when their two sons will be home on leave from the service for the holidays. It will be the first leave for Bob since he completed his basic training in the U. S. Air Force, where he is a draftsman. After his leave, he will return to Perrin Air Field, his home base near Dallas, Texas. Orme, who has been taking special training at Nellis Air Base in Nevada, will spend his two weeks leave in Campbell, and then return to his home base, Kelly Air Field near San Antonio, Texas.

Mrs. Jennie Shockley, mother of C. W. Shockley, flew to Dayton, Ohio, to spend the Holidays with her son-in-law and daughter, Mr. and Mrs. MacDonald Stearns, and grandchildren, Steve and Donna.

Mary Ellen Bush entertained several friends from San Jose State College at a buffet dinner on December 11. The guests were girls who reside at Knight's Manor near the Campus. Mary Ellen is a Campbell High School graduate and is now majoring in secondary teaching. A birthday dinner is in store for Mary Ellen this evening, but her friends are keeping the destination a secret. She is the daughter of Mr. and Mrs. Granville Bush of 1699 Norman Avenue.

Mr. and Mrs. Richard Shaffer will arrive from Merced to spend Christmas with their daughter and son-in-law, Mr. and Mrs. Neal Royer of 393 North Carlyn Avenue, and grandsons, Allen and Jim. Neal is principal at the new Monroe Grammar School.

Mr. and Mrs. Fred E. Jones, Sr., are away in their trailer house at Ramon Park, Palm Springs.

Mrs. Walter Krohn of San Francisco, daughter of the late Harry Smith, for many years the publisher of the Campbell Press, was visiting her mother, Mrs. Edna Smith of 46 North Second Street yesterday.

Mrs. Rex K. Fuller of 421 North San Tomas Road will have several guests in her home on Christmas day, when her sister-in-law and brother-in-law, Mr. and Mrs. Roy T. Mills of Grover City will drive up from Grover City. Her son, Gary, will also be home for the holidays from Brigham Young University at Provo, Utah, where he is a sophomore. Her daughter and son-in-law, Mr. and Mrs. Wayne Sorensen, and children Erik and Jan, of San Jose, will also spend Christmas Day with Mrs. Fuller.

Mr. and Mrs. Sam Cava are proud grandparents of Christian Elizabeth Cava who was born December 17 at San Jose Hospital. The baby girl is the daughter of Dr. and Mrs. Emil F. Cava of Las Vegas, Nevada.

Mr. and Mrs. Earl Handley are having open house at their home 512 Old Orchard Road tomorrow, for friends and neighbors.

Mr. and Mrs. Clyde L. Parker and children, Jack, Judy and Jim, will have guests next week when Mrs. Parker's parents, Mr. and Mrs. A. J. Sorenson will arrive from Lansing, Michigan, for a short visit. The Sorensons will attend the Rose Bowl game while here.

Ben Bittner of Cumberland, Maryland, and Ralph Bittner of Folsom, will be Christmas visitors at the Charles Quinn home at 501 Bucknall Road. They are brothers of Mrs. Quinn. The Quinns have three children, Teddy, Adele and Adda.

Mrs. A. Curry, formerly of Campbell, who now resides in Santa Cruz, is at home now, after being hospitalized for some time following an injury resulting from a fall. Mrs. Curry is getting along fine and is receiving friends in her home.

Mr. and Mrs. A. C. Reinecke of 51 Hunt Way will spend Christmas day with their daughter and son-in-law, Mr. and Mrs. George Fleming of 459 Cambrian Drive, and children Fay, Buddy and Gwen. Mrs. Reinecke's sister, Mrs. Frank Manning of Sydney, Australia, who is here for an extended visit, will accompany the Reinecke's. Ernest Reinecke, a brother of Mrs. Fleming, and his wife and children Diane and David, will drive up from San Leandro to join the group for Christmas.

Gene Sabo, Jr., Tony Schraub, Gerry Cathey, Albert B. Smith and Dick Alfano bagged 22 geese between them on their hunting trip to Willets last weekend. Gene Sabo and Albert Smith, Cal. Poly students, are home for the holidays and Tony Schraub, Stanford student, is also home for the holidays.

Mr. and Mrs. Elmer A. Tambert of 377 Budd Avenue leave today for southern California to spend Christmas with their children and grandchildren. Christmas Day will be spent with their son, Herbert W. Beaver and his wife and children Margie and Tommy of Azusa. They plan to spend some time with their daughter and family, Mr. and Mrs. Eli Helmick and daughters Jenny Sue and Betty Jean in Ontario. In Arcadia, they will visit another daughter and family, Mr. and Mrs. Al Randal and Robert and Kathy. The Tamberts plan to return to Campbell Monday.

Mrs. Muriel Smith of 50B Foote Avenue, expects her son-in-law and daughter and four grandsons, Lt. Commander and Mrs. Philip A. Horne and Stephen, Thomas, Daniel and John, for a short visit over the holidays, when they are en route from Guam to Atlanta, Georgia. Lt. Commander Horne, who is with the U. S. Naval Air Force, has been stationed in Guam for the past 22 months and is being transferred to Atlanta, Georgia. Mrs. Horne is the former Doris Smith who attended Campbell schools. Mrs. Smith and the Horne family will spend Christmas day with another daughter, the former Louise Smith who is now Mrs. Clayton Willis of Redwood City. They will also visit with another daughter, Evelyn, who is now Mrs. Clarence Schumacher, also of Redwood City.

Friends of Mrs. Lydia Poindexter of 728 East Campbell Avenue, will be happy to know that she is home now after being hospitalized for some time and is getting along fine. Her sister, Mrs. Robert Isaacson, has returned to her home in Aberdeen, Washington, after spending about three weeks with Mrs. Poindexter during her hospitalization.

Mr. and Mrs. Forrest Reese of Rincon Avenue, their car laden with toys and gifts, left Saturday for Memphis, Tennessee to spend Christmas with their daughter's family, the Robert Barkers and daughter, Beth. Father is in the guided missile school at Memphis.

Francis Smith, son of Mr. and Mrs. Fred Smith of 521 South San Tomas Road, was initiated into Pi Omega Pi, honorary business education fraternity at San Jose State College. A graduate student, Smith is seeking his Master of Arts degree in business education.

BARBARA HORTON IS BRIDE AT CHURCH OF THE VALLEY

Church of the Valley in Santa Clara was the scene of the double-ring ceremony when Barbara Ruth Horton became the bride of Ernest Ray Preston, Jr. last Sunday afternoon at 3:00 o'clock. Reverend John C. Carroll officiated at the rites.

The bride, who was given in marriage by her father, Stanley W. Horton, Sr., chose a street length ice blue silk princess style dress for her wedding. She wore a white orchid which was flown from Honolulu. Her matron of honor, Mrs. Skip Streiff of Wasco, wore a biege street length, princess style dress of brocaded blue silk with blue accessories and a white orchid.

Mrs. Stanley W. Horton, Sr., mother of the bride, chose a pink faille suit with pink accessories, for the ceremony. She also wore a white orchid.

The groom's mother, Mrs. Ernest Ray Preston, Sr., was dressed in a cream colored wool suit with black accessories and wore a white orchid.

Following the ceremony a reception for over 50 relatives and friends of the couple was held in the home of the bride's parents at 766 Erin Way in Campbell.

The new Mrs. Preston is the daughter of Mr. and Mrs. Stanley W. Horton, Sr., of 766 Erin Way in Campbell. She attended Wasco High school and was graduated from San Jose State College where she majored in business.

The groom, son of Mr. and Mrs. Ernest Ray Preston, Sr., of Lost Hills, also attended Wasco High School and was graduated from San Jose State College with a business administration degree. He is presently a corporal in the U. S. Army with headquarters at Honolulu, Hawaii.

After the reception, the newlyweds left for a honeymoon trip to Carmel and other points south.

After Christmas, the couple will fly to Honolulu, where they will make their home for the duration of the groom's military service.

SUBDIVISION WANTS SIGNS

Approval was given yesterday by the County Planning Commission to the Pruneridge Avenue site for a new school in the Campbell Union Grammar School district.

Planners held a public hearing yesterday on application of Neolite Company for permit to erect a subdivision advertising sign on the west side of the San Jose-Los Gatos Road between Pamlar Avenue and the Southern Pacific Railroad.

Salvation Army Is Grateful For Discard Material

The Salvation Army expressed its appreciation today to Campbell residents for their cooperation in making their discards available for repair and selection by low income families for Christmas giving and also announced the next pickup for December 27th and 31st.

Major Kenneth Ayres, officer in charge of the organization's Men's Social Service Center in San Jose, said those with used and discarded materials may arrange for free Red Shield pick up service by calling CYpress 4-6316.

He said all items for suitable Christmas giving have been placed within reach of low income families through Salvation Army stores.

"Many low income families would not have been able to do any Christmas shopping had it not been for the generosity of people like those in Campbell," said Major Beringer.

He said homeless and handicapped men at the San Jose center make repairs to used and discarded materials donated to The Salvation Army the year 'round as a part of their work therapy.

The rehabilitation program for these men receives financial support when the articles are sold through the Red Shield stores.

Dicken's 'Christmas Carol' Fame Earned

LOS ANGELES, Dec. 22.—Charles Dickens' famous Christmas Carol" was not the most popular of his Christmas stories during his lifetime, nor was it the one he hoped to be remembered by.

So states Dr. Ada Nisbet, associate professor of English on the Los Angeles campus of the University of California, who is writing a book on the famous English author.

"The most popular of Dickens' Christmas stories in his day", she says, "was 'The Cricket on the Hearth", a poignant story of a father who tries to shield his blind daughter from the realities of life. It outsold Dickens' familiar tale of Scrooge and Tiny Tim by two to one and two weeks after its appearance in 1845 dramatic versions of 'The Cricket' were playing at 12 different theaters in London alone."

Dickens' own favorite of his many Christmas stories, and the one he hoped would give him lasting literary fame, was "The Chimes". As he was writing it, he enthusiastically wrote a friend that it "would knock" 'The Carol' out of the field."

But the public did not take to "The Chimes", probably because it was filled with uncomfortable topical satire. "The Christmas Carol" survived and becomes increasingly popular, Dr. Nisbet believes, because it is cheerful and "Christmasy", with a social doctrine shapeless enough to be acceptable to all.

Congregational Church School Program Tonight

Children of all ages will participate in the Church School program at the Congregational Church at 7:30 tonight, where they will present a varied program of songs, skits, recitations and readings. Santa will pay a visit following the program. Norman Liles is program chairman, assisted by his wife, also Mrs. Betth Reitch, Rev. Del Hollenberg and Church School teachers.

The traditional Christmas Eve candle lighting service will be held from 11:00 p. m. to midnight. The choir will be heard in renditions of Christmas music. Rev. Corwin Olds will offer a special Christmas message.

Senior Pilgrim Fellowship will precede the services with carols.

Following the services, members and friends will be invited to stay for the social hour, when refreshments will be served.

The Christmas Day service at the Congregational Church will be at 11:00 a. m. only. Classes will be held for nursery through second grade children. Other children will attend the church service with their parents.

Mrs. C. A. Bradley Heads District Cancer Society

Mrs. C. A. Bradley of 50C Foote Street has been appointed general chairman for the newly organized Campbell District of the American Cancer Society.

The Society is sponsoring an educational campaign to acquaint the general public with modern methods in early detection of the disease, and its importance in curing cancer.

Mrs. Bradley is seeking volunteers to assist in distributing informative literature and arranging the showing of films which are available to organizations. She can also be contacted regarding memorial donations to the Cancer Society.

Pundita Circle In Yule Program

Mr. Robert McCall presented a vocal solo, "Star of the East", accompanied on the piano by Mrs. Florence Cramer, at the Christmas meeting of Pundita Circle, held December 14 in the home of Mrs. Cramer.

Mrs. McCall, together with her children, Janet, Billy and Martha, led the group in a number of Christmas carols. Mrs. Fredrick Nybro told Van Dyke's story of "The Other Wise Man".

Following the program, refreshments were served and gifts were distributed to nineteen members and a guest of the Circle.

Four Classroom Units To Be Added At Camden High

The Campbell High School District board at a meeting last Tuesday, reaffirmed its policy to oppose the sale of alcoholic beverages in the immediate vicinity of either the Campbell High School or Camden High School.

Bids were called for opening January 10th for construction of four classroom units at Camden High School to house the science department, business education department, industrial arts department and five regular classes. Equipment was purchased for the photography commission at Camden High School.

George Ard and Merrill Hopkins were employed as bus driver and custodian.

The annual employees Christmas dinner was held at Camden High School Monday evening.

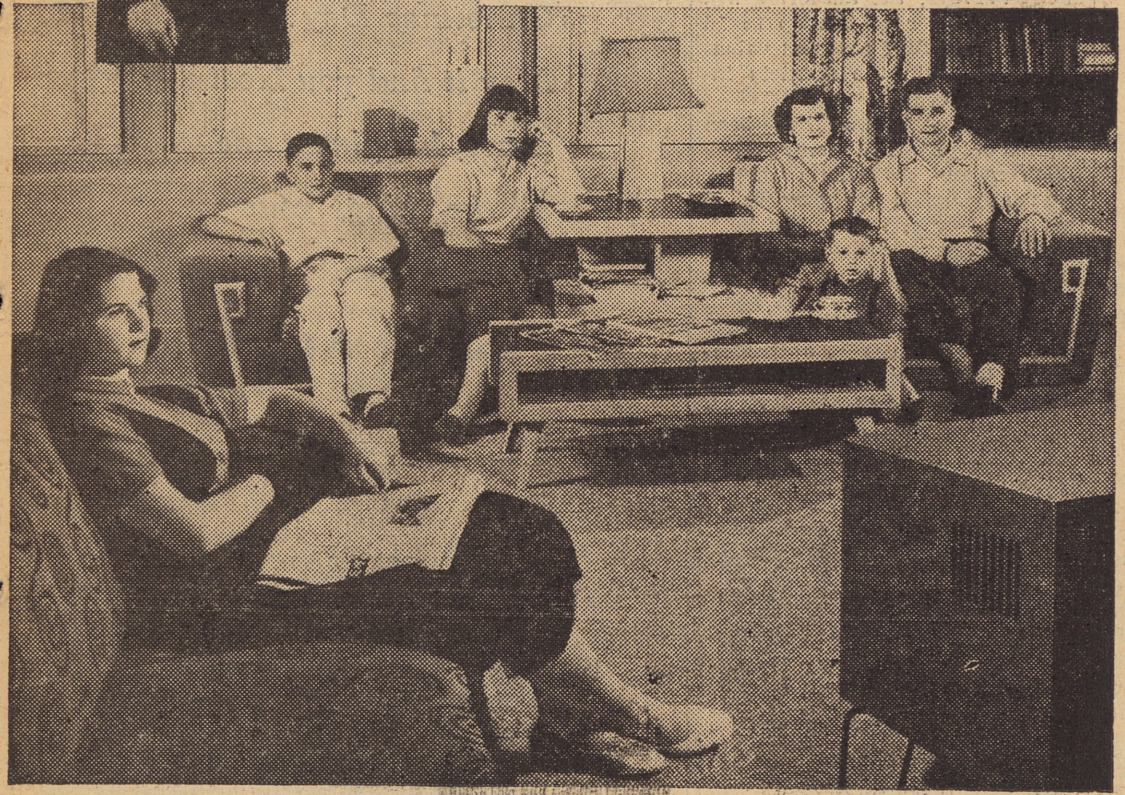
Meet the Davidsons

who were married in Monterey in 1935

20 YEARS AGO—when Agnes and Louis Davidson set up housekeeping, they had just 11 appliances: gas range, water heater, gas heater, toaster, electric grill, waffle iron, mixer, radio, coffee maker, two irons.

TODAY—the Davidsons and their four children, Francine, Juanita, Louis, and Salvatore, have 23 appliances in their spacious home: television, automatic washer, radio-phonograph, radio, toaster, electric ironer, refrigerator, electric grill, waffle iron, mixer, coffee pot, two irons (one steam), electric heating pad, vacuum cleaner, electric shaver, gas range, water heater, floor heater, electric hand tool, soldering iron, sewing machine, electric clock.

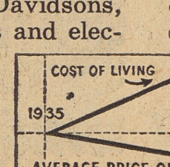


Today they buy $16 worth of gas and electricity for $12

...for the average unit cost is about ⅓ less than it was in 1935

The average California family is using three times as much gas and electricity as it did twenty years ago. And, like the Davidsons, you're probably using more gas and electricity as you add more and more modern-living appliances and better lighting to your home.

As a result, your bill may be higher. But it is far lower than it would have been twenty years ago. For, thanks to mass production economies, the average cost of a unit of gas and electricity is down about one-third. Thus, the Davidson's gas and electric bill in a recent month was $12.22. In 1935, the same amount would have cost $16. Your own bill would probably show similar savings.



Can you think of any other prices that are lower today than twenty years ago? *No wonder we say...*

Gas and Electricity are cheap in California!

Thank You...

...is the most sincere expression we know of to convey our appreciation for the friendship, cooperation and excellent business relationship which were so important to our mutual benefit during the past year.

May we extend to you and yours a message of good cheer and much happiness at Christmas time.

Senior Play Under Way

At two recent lunch meetings held December 9 and December 12 at Campbell High, plans for the selection of the Senior play were dinscussed. Mr. Wallace presented his personal opinions, but is leaving the selection of the play solely to the students.

Copies of different plays, both serious and comedy, were handed out Monday and the students pressent are to read the thoroughly. The final selection will be sometime in early January.

A list of possible Senior plays includes: "Our Hearts Were Young and Gay", "A Date With Judy", and "Annie Get Your Gun", to name but a few.

The Senior Play is scheduled for March 22-23.

More Cars Are Heading West

A marked increase in long distance motoring to Western states appears likely this winter, according to a nationwide survey conducted by the American Automobile Association.

This winter's travel volume generally is expected to rise five to ten per cent above last year's level, with a substantial increase directed to the Western recreational areas, the California State Automobile Association states in a report on the survey.

"A very important factor has been the opening of major new routes, while another is the ability of state highway departments to keep the roads free of ice and snow. The 241-mile Ohio turnpike is the principal new highway of the year, since it shortens driving time across Ohio by more than three hours, it will generate substantially more long distance travel from populated eastern points," the CSAA pointed out, adding:

"In crossing to the Far West, Colorado is making it much easier for long distance motorists. Despite its high mountains and deep snows, 21 passes are kept open across the Continental Divide during the winter."

The AAA is forecasting a heavy amount of travel to resort areas in California, Arizona, Texas and Mexico. Mexico, in fact, is becoming increasingly popular with motorists from all sections of the country.

FIRST RACE

The first automobile race in America was held in Chicago on Thanksgiving Day, 1895, reports the California State Automobile Association.

Water Vote To Be Made Next Week In Area

Voters in Santa Clara and San Benito counties will go to the polls next week to decide adequacy of water supply to meet the needs of the fast-growing Santa Clara Valley, according to Jack Z. Anderson, former congressman and chairman of the Citizens Committee for the Tri-County Water Authority.

Elections on Dec. 28 and 30 in three water districts in the two counties will decide upon formation of the Tri-County Water Authority, to give "political muscle" to this area in its search for an outside source of water.

"Make no mistake about it," Anderson said, "this area must have outside water soon, if it is to continue its present rate of growth."

Ever since 1946, he pointed out, increased industry and population growth has resulted in the water table falling steadily, due to a failure to replenish supplies used.

Local water sources simply cannot meet the demand for water, Anderson said, "so we must go out and get our water elsewhere—but where?"

There are literally hundreds of plans for bringing water into this area—the Reber Plan, the San Luis project, the Commonwealth Plan, the Delta-Mendota Canal plan, and many, many others.

One of the two main purposes of the authority will be to examine all of these plans, and determine which plan, or which combination of plans, can best do the job for this area.

When this has been accomplished, the second purpose of the authority begins. It has the power to enter into negotiations with the agency which operates the plan suited to our needs, be that agency the Federal or State governments or a private group.

For the purpose of making the initial surveys, the authority will have the power to tax up to 10 cents on each $100 assessed valuation on land in the districts involved.

The power to tax has been granted only for a five-year period, which means that the authority must accomplish its purpose in that time—or else go out of business. It has no power to incur bonded indebtedness, and if the plan adopted requires such bonding, then the authority must first go to the legislature for authorization to issue bonds, and then go to the voters to win approval for them.

Yule Party For Shut-Ins Given By Service Club

Women's Service Club held their annual Christmas party for women patients in one of the wards at Agnews State Hospital Wednesday evening. Club members brought gifts and refreshments for the party and provided entertainment in the form of games and Christmas carols for the patients. Mrs. Herbert Neale was general chairman for the party, assisted by members of the club.

Scholarship Students Named

In recent national competition throughout the U. S., graduating Seniors competed for National Merit Scholarships.

Out of thousands of entries, Campbell seniors, Steve Dunn and Steve Hunter were notified that they had passed the first phase of the test satisfactorily and are scheduled to compete in another test sometime in January.

The scholarships from this institution are varied with top awards up to four years of any college or university of your choice, free of charge.

THE PACIFIC TELEPHONE— ....

With one telephone, on the average, for every three persons, the United States had more than half of the world's 94.5 million telephones on January 1, 1955. About 5.3 million telephones were added throughout the world in 1954.

This infromation was published today by the American Telephone and Telegraph Company in its annual survey, "Telephone Statistics of the World."

The United States had a total of 52,806,476 last New Year's Day. California had 4,979,803. And our own Campbell has 6846.

These figures are for the year 1954, since it takes almost a year to collect information from more than 250 governments and companies throughout the world.

FRESNO CENTENNIAL JUBILEE ON STAMPS

A special slogan cancellation for the 100th anniversary of Fresno County has been authorized, regional officials of the Post Office Department said today in San Francisco.

The special slogan reading "Fresno County Centennial Jubilee 1856-1956" will be used in cancelling mail at the Fresno post office from Jan. 1 to June 30.

Collectors may obtain the special cancellation by sending self-addressed, stamped envelopes to the postmaster requesting the cancellation be applied.

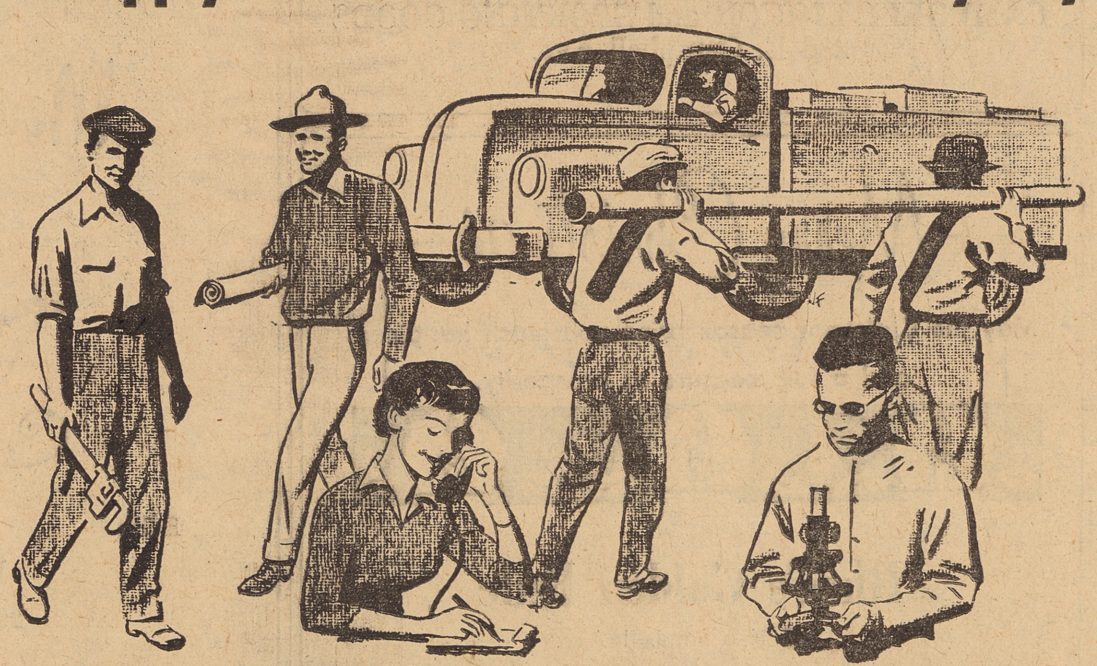
WHAT IT TAKES

To Supply Your Home With Water Every Day



Efficient water works operation often depends on having the right piece of pipe or equipment at the right place at the right time.

Here at San Jose Water Works the man who sees that any one of more than 1600 items is available at the right time is Raymond Corbal, our superintendent of stores and equipment.

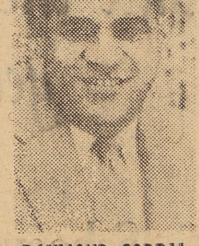
Those 1600-odd items in "Cookie" Corbal's stock may range from a ⅛ inch meter valve to a 24-inch gate valve and include all the tools, pipe and fittings which might be used every day or only once a year. In addition to the storeroom, "Cookie" is responsible for four pipe yards located strategically throughout our service area.

The pipe in regular stock in these yards goes all the way from ¾ inch to 30-inch, and Stores Superintendent Corbal can deliver any standard size in between.

Radio communication with our service trucks means that any of these items can be delivered "to the right place at the right time."

"Cookie" started at San Jose Water Works as a member of a construction crew in 1938 and played a snappy second base on the company ball team. He also worked as an assistant surveyor and as a meter serviceman before the war.

After four years in the Navy as a Seabee, he came back to work in the Company storeroom which he now heads.



RAYMOND CORBAL

"Cookie" was born and educated in San Jose and remembers as fields and orchards many of the same areas to which he now dispatches valves, pipe and fittings as a matter of daily routine.

Monroe Additions Nearing Bid Stage

Plans and specifications for additions to Monroe School are now before State officials for approval. Included will be eight new classrooms, a manual arts shop and home economics room.

Plans call for Monroe, with its new addition, to serve seventh graders next year, and possibly extend its activities to eighth grade the year following.

Funds to pay for the project will come from the last bond money voted by district residents.

EIGHT PORTABLE CLASSROOMS ARE BEING PLANNED

Bids will be called as soon as possible for construction of eight portable classrooms which will be used to meet critical demands for rooms in district schools.

Trustees voted unanimously to go into the "portable" program when it was decided that enrollments continue to grow faster than additions can be made to existing schools, particularly in areas where subdivisions are planned, built and occupied within a few months.

Architects Higgins & Root told trustees that portable units such as are planned meet specifications of both the State Board of Education and State Board of Architecture, and are extensively used throughout California in growth areas.

Each unit would be 24 feet wide and 40 long and cost about $10,000 complete with all necessary facilities but exclusive of furniture. Each would provide all standard requirements of ordinary classrooms.

Glare-proof windows are planned, as is fluorescent lighting. This will permit later use of the buildings in any location without regard to placements relying entirely on natural light. An effort will be made to design units to conform as closely as possible to the type of building.

School principals, attending the trustees meeting at which the decision was made to adopt portable classrooms for emergency needs, agreed when one said, "It beats double sessions."

The portable rooms can be used singly or in series at schools where crowding is a severe problem but does not justify construction of an entire new wing. Regular rooms would be built when enrollment rises to a point where ordinary construction is economical and sound.

Student Council Changes Elections For Cheerleader

A motion was made and passed by the Student Council to change the procedure in primary cheerleader elections.

It was decided that primary cheerleader candidates will be judged in the future by the following persons: the Student Council, the cheerleaders, a band representative, a majorette representative, a drill team representative, the administrative class representative to the Student Council, and anyone else the Council may think it necessary to invite.

The final elections will proceed as before, with the ten cheerleader finalists trying out before the entire student body. The student body as a whole elects the cheerleaders.

Sheepmen formed the California Wool Growers Association in 1860 to "foster and promote the enterprise of sheep breeding and wool growing."
